

## Supported Hardware

The following hardware has been tested in combination with easescreen. Nevertheless, due to frequently changing hardware components and appropriate driver software it cannot be guaranteed that the following list provides a comprehensive enumeration of supported hardware. Therefore, you are advised to contact the easescreen support team ([support@easescreen.com](mailto:support@easescreen.com) / [info@easescreen.com](mailto:info@easescreen.com)) in regular intervals regarding currently recommended hardware.

### Output Devices

ASK PROXIMA  
CHRISTIE
